We are committed to Best Practice of service charge, tips, gratuities, and cover charges. A discretionary 10% service charge is added to the bill. If you feel we have failed to 'wow' you, please do let us know, service charge will be removed, and every effort made to rectify the situation. If you wish to pay this charge via cash, please do let us know. If you choose to leave a gratuity via card for every £1 received, 90p is shared amongst the staff and 10p covers administration and processing costs.

All cash gratuities left go directly to the staff
